

Triathlon for Makukhanye School

Year 8 pupils Ewan S, Callum K and Rory J will be undertaking a socially distanced triathlon on Saturday 27th June to raise funds for Makukhanye School. Independently, but at the same time

- Rory will be cycling 77km - the distance families have to travel from Jeffreys Bay to Port Elizabeth to get official papers to exist legally and therefore receive funding to attend school
- Ewan will be swimming 7.5km - the distance of the 'Freedom Swim' from Bloubergstrand, Cape Town to Robben Island
- Callum is going to run and row 12km which is the distance around the perimeter of Robben Island

Ewan, Callum and Rory, and the children of Makukhanye School, would be very grateful for your support. Please use this link to the Just Giving page if you would like to make a donation.
