

# Grand Prix Results

In PE lessons the pupils in Years 3, 4 and 5 have been taking part in Grand Prix runs. Each run takes place at Latham Road fields where Year 3 and 4 pupils run **1 ½ laps**, Years 5 and 6 run **2 laps** and Year 7 and 8 run **2 ½ laps**.

In the first Grand Prix (London) earlier in September, the children ran the course for the first time and the 5 fastest runners for boys and girls were listed in the newsletter.

For the second Grand Prix (Stockholm) this week, pupils were placed into three leagues for both boys and girls based on the time of the first run (three ability equal groups). For this second Grand Prix, we are reporting on the pupils who have made the most improvement in their positions (as ranked based on times).

The final Grand Prix (Zurich) will be run over the same distance, in three new leagues based on the Stockholm Grand Prix results. We will report on the most improved times as well as points awarded for a House event.

It has been very exciting to watch the children train and work harder over the weeks in preparation for the Grand Prix runs. They are definitely getting fitter on the whole which was the main aim of the event.
