

Pre Prep

On Thursday 1WD led the assembly of the week by showcasing some of their recent work in Music with Ms Overman. Well done to them all for pioneering a remote assembly watched by their peers and parents. I thoroughly enjoyed watching them!

The sorry collection of unnamed lost property is increasing! I now have five jumpers and a new pair of size 10 plimsolls with new white socks.

The plimsolls are John Lewis, newly purchased. The jumpers are 1x 26" (preloved), 3x 28" (one of which has been laundered) and 1x 30". My guess is that four of the jumpers have been purchased this year. If you believe that one of these belongs to your child, please contact me. lsmith@stfaiths.co.uk

We always try to assist with reuniting lost property to the owner and hunting down mixed up clothing, and fully accept that it is all part of our work of the day. It is however frustrating to note that dealing with unnamed possessions takes us away from educating the children. Your help with ensuring all items of clothing are named prior to wearing them to school will really be appreciated.
