

Girls' and Boys' Games Programme

For the final two weeks of term the boys are going to switch sports from Rugby & Football to Hockey. This means that **all boys will require a mouthguard, stick and shin pads for Games lessons** please. If your son does not have a hockey stick, he is more than welcome to borrow one at school.

The girls will be switching from Hockey to Netball so will now not require their mouthguard, stick and shin pads in school, unless they are participating in the afterschool Hockey activity which will continue until activities end on Friday 4th December.

Mr J Welch
Head of Sports Faculty
