

Greater Cambridge Partnership Transport Consultations

Parents may be interested to hear that the Greater Cambridge Partnership is running consultations on how to improve public transport and active travel around the city.

Greater Cambridge Partnership Transport Consultations

Please make your views known in our travel consultations.

Do you travel into or around Cambridge, for study, work, leisure or other purposes? We are looking at ways of making travel much easier and safer for everyone and encouraging use of public transport and active travel (for example, walking and cycling).

We would like to hear your views on two major transport projects. You are welcome to comment on both or only on the one which relates most to your life:

Waterbeach to Cambridge

Closing date midday on Monday 14 December 2020.

Cambridge Eastern Access

(This covers travel into Cambridge from the east of the city)

Closing date midday on Friday 18 December 2020.

Each consultation page contains maps and plans, frequently-asked questions and videos. There is also a link to our online survey.

The graphic features the Greater Cambridge Partnership logo (a multi-colored circle) and a map of Cambridge with three consultation routes highlighted: Waterbeach to Cambridge (top), Cambridge Eastern Access (right), and Newmarket to Cambridge (bottom). The text 'We'd like to hear from you!' is prominently displayed. Below this, it states: 'Greater Cambridge Partnership is consulting on two schemes to improve public transport and active travel:'. Two bullet points provide details: 'Travel between Waterbeach and Cambridge (the consultation runs from 19 October – 14 December)' and 'Travel into Cambridge from the east, from places such as Newmarket and Burwell (the consultation runs from 26 October – 18 December)'. At the bottom, a photo of two people is shown next to the text 'HAVE YOUR SAY' and 'Let us know what you think, it's easy to do! Just go to www.greatercambridge.org.uk/W2CandCEA to find out more.' Social media icons for Facebook and Twitter are also present.
