

Latham 'Multi Coloured Sock Swap' Fundraising Event

Thursday 19th November

Latham House are asking all children from Years 3-8 to support 'United against bullying' by asking the children to swap their school socks for odd socks on Thursday 19th November.

Latham House will be fund raising for Blue Smile. Blue Smile is a children's charity working across Cambridgeshire and the surrounding area. Blue Smile supports children aged 3 to 13 years to become happier and more able to enjoy life to the full, both at school and at home. Many of the children Blue Smile support are struggling with big feelings and emotions that can overwhelm them. This makes learning at school really difficult. If you would like more information about Blue Smile please visit: www.bluesmile.org.uk

Latham House asks that, in return for a £2 donation, all pupils from Years 3-8 swap their school socks for socks of their own choice for a day on Thursday 19th November.

Children should bring their £2 into school and place the money in the orange buckets which will be located at the Newton Road and Headmaster's drive entrances in the morning. If the children only want to wear one different sock and one school sock they may pay £1.

Many thanks for supporting this charity.

Mrs D Bowes Head of Latham House
