

Pastoral Update

Christmas Card Post Boxes

In the last week or so, pupils in Years 3 to 8 have been posting Christmas Cards to their peers and teachers, using our specially created St Faith's post boxes! The cards were quarantined for 72 hours before distribution in the Christmas parties yesterday afternoon.

House Points

Pupils in Years 3 to 8 were very excited in assemblies this week to learn where their House stands in the House Point Competition. House Points are awarded for excellent Learning Habits and achievements in Inter House sports competitions. At the end of this term, Bentley are in 4th place, Chaucer 3rd, Newton 2nd and Latham in 1st place. Congratulations to Latham pupils for being on top this term. The scores are extremely close however and there is all to play for in 2021!
