

Pre Prep

It has been wonderful to welcome the children back to school this week, albeit virtually for many, and we've enjoyed hearing about many unique holiday experiences, such as "camping in the sitting room". A big well done to all the children, we have been impressed with the level of independent participation and engagement with the online activities!

Thank you to all parents and carers who are supporting children at home. We hope the timetables and resources on the VLE are useful and welcome suggestions about ways to improve. Please continue to check the timetables so that you can assist children to log on to the appropriate lesson and prepare any resources needed in good time. We are investigating viable options to increase the availability of texts under the current restrictions. Please continue to spend time reading and enjoying books with your child, discussing and re-visiting texts you already have at home and encouraging independence.
