Year 3 & 4 Assembly Activity

In assembly this week, Year 3 and 4 pupils were asked to design a sensational savoury, fruity or sweet pizza. The design needed to include labels and colour.

They were also encouraged to make their pizza designs for lunch or dinner. Mrs Hames, Head of House, told them that the pizza dough could be made from scratch, or they could use a bought pizza base, a bought bread muffin (halved), a pitta bread a section of a baguette or even a slice of bread.

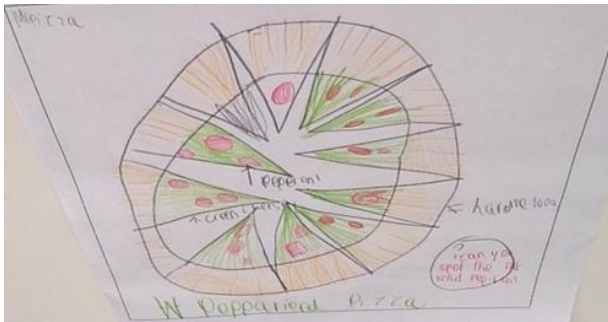

Here are some pictures of their designs and the yummy final pizzas.
