ALIENS Attack ST. FAITH

Last night the robbers saw a flying thing with flashing light in the sky. They were scared. I spoke to Mr Pea and he said "me and Mrs Pea were woken up by a loud wowing noise so we looked out of the window and

surprisingly we saw a creature flying thing with red and blue flashing light."

Mr Pea told Mr Brent about this Mr Brent went to investigate.

When Mr Brent opened the door of Pre Prep he saw red foot prints and green slime.

It was a mess.

He wondered why they had done this.

He thinks they want to learn more.
