

My Favourite Sweet

By Magnus W, Year 5

Of all the yummy sweets, yes, all sugary beats, the fruit chews, the blueberry loops, the gum, the Toblerone, there is one sweet that rules them all and it's not the gum ball.

It looks so yummy, it feels so scrummy because this confectionery is mouthwateringly yummy. I love the sticky feel, the flavour is so lucky, and it sounds like an angel calling. It smells like heaven and reminds me of Devon, and it tastes like a summer holiday.

Of course, there are others, and they are all good friends but still this one is the ruler. Before you would eat a sherbet fountain but after you feel like you've climbed the TALLEST mountain.

Can you guess?

It will blow off your face.....

My favourite sweet is

THE STRAWBERRY LACE!!!!!!!!!!!!!!!!!!!!!!
