

STEADY, INSIDIOUS WAYS

LONG TENACIOUS FINGERS
NATURE HAD COME INTO HER OWN

MAKED LIMBS
INTERMINGLED IN A
STRANGE INSPIRE

CHOKED WITH GRASS AND MOSS

THEIRSELVES
OF THE QUIET
OF THE EARTH

HARD CLEAN SKY

SUNNY DAYS
SOLES AT LAST
DESOLATE SHELL

RAISAR AND LANKA

CURTAINS
BLEW SOFTLY

NAMELESS
PAPERBLOSSOM

MEMORIES THAT CANNOT
LAST

MONSTER SHRUBS AND PLANTS

TWISTING AND TURNING AS IT ALWAYS HAD DONE
