

Cambridgeshire Chess Championship

On Saturday, the weirdest ever chess season finished. Cambourne were crowned champions in only their second season, although they do have the benefit of being able to select the best players from four different schools! Our A-team finished a respectable 3rd place, just a point behind King's, and will receive bronze medals when we return to school next week. Here is the final table, which shows how all our teams acquitted themselves well.
