

CLASSHOCKEY
OWN THE TURF

Easter Courses

We are ready and raring to welcome you back onto the pitch!

With restrictions due to still be in place by Easter we will continue with the same format as in 2020. We feel the shorter time across more days lends itself well to more intense sessions whilst allowing adequate recovery. This will also enable us to make the most out of our time together.

Whether you are in year 1 and just starting on your hockey journey or an elite performer dreaming of representing your country. We have you covered this Easter.

Please visit our website events page for further details. Alternatively, you can contact us on www.contact@classhockey.com or 07788140754.
