

Year 2 Study Minibeasts

Year 2 have started their new topic about Minibeasts. The children have been looking for them in our beautiful school site. Maybe they could look for some in their gardens? They have written poems using adjectives, nouns and verbs. This is one that 2RP wrote together as a class.

*Ladybird, ladybird, what do you see?
I see a bright, bumble bee buzzing briskly towards me.*

*Bumble bee, bumble bee what do you see?
I see an awesome, enormous ant ambling angrily towards me.*

*Ant, ant what do you see?
I see a deadly, dramatic dragonfly darting dangerously towards me.*

*Dragonfly, dragonfly what do you see?
I see a white, woolly worm walking towards me.
Worm, worm what do you see?
I see a sliver snail sliding slowly towards me.*

*Snail, snail what do you see?
I see a lovely, little ladybird lolloping alone towards me.*
