

# SFPA Summer Party Update

It is in many aspects unbelievable to see that over a year has passed when the first lockdown was announced. We have come a long way since then and there seems to be hope that the worst of the pandemic is behind us. Restrictions are lifted gradually and calendars seem to fill quickly trying to meet friends and families again.

While it would be amazing to bring our community together again during such a wonderful event as the SFPA Summer Party, we think it safer for us and the school, to just wait for another year.

We are thus very sorry to announce that we will postpone last year's Summer Party by yet another year. The good news though, we already have a date and a grand plan in mind. The rescheduled SFPA 2022 Summer Party will happen in the same beautiful venue and grounds of Anstey Hall, with the same Jazz trio and Big Band performing.

So please pencil in Friday 17th June 2022.

For those of you who booked tickets you don't need to do anything else. Your ticket booking will automatically be valid for 2022 and you will be invoiced in Summer 2022.

What's more, we understand that for parents with children that have left St Faith's in 2020 and will leave this year, the Summer Party usually is a memorable way to celebrate the past years at the school. For that reason, all last year as well as current Year 8 parents are most welcome to join us in 2022.

If you have booked a ticket and don't wish to attend the party next year and/or have any other questions, please contact us at [summerevent.sfpa@stfaiths.co.uk](mailto:summerevent.sfpa@stfaiths.co.uk)

We hope to see as many of you as possible at the 2022 Summer Party on Friday 17th June!!

St Faiths' Parents' Association
