

# Thank you from the Greenpower Team

The Greenpower team would like to extend a huge thank you to all of you for volunteering at The Gathering of Goblins on Sunday. We were blown away by your positive attitude and professionalism.

We had 40 teams on the day and we really couldn't of been done without your help.

If you have any photos or clips of the day that you wish to share with us please let me know. We did manage to get some photos and clips of the day, which are on our social media channels.

Greenpower has an F24 event at Lotus test track, Hethel on Saturday 3<sup>rd</sup> July. If you would like to volunteer, please email me. Here is a link to our 2019 event!
