

Foundation

Our story focus of 'The Gingerbread Man' was thoroughly enjoyed by the children. They made their own gingerbread men by following a recipe, eagerly watching the oven door in case one should come alive and attempt an escape! We also sorted waterproof and non-waterproof materials in order to protect the gingerbread man from the river and stop him being eaten by the fox.

We started our gymnastics lessons in the Sports Hall this week. Photos of the fun we had can be seen on the VLE.

This week in Maths, we have been building on our work on numbers to 5. We have been singing counting songs such as 5 speckled frogs, 5 currant buns and 5 little men in a flying saucer. We have also been thinking about what zero means.

For homework, this week we would like you to carry on practising the skill of subitizing by playing bingo with dice. We have sent home two grids so you can play alongside your child. To play, roll a number and cross off a picture that represents that number. The winner is the first to cross off all their pictures and shout 'Bingo'.

Next week our story focus will be 'Three Billy Goats Gruff' where we will building bridges and making trolls. Our word of the week will be 'ravenous'.

Best wishes,
The Foundation Team
