U13 Boys' Hockey – IAPS Hockey Regionals at Culford

The St Faiths team were nervous at the start but managed to secure a win against Orwell Park School with a 3-1 victory. When we got to our third pool match, we played against a strong side called Old Buckingham Hall (OBH) who managed to beat us 2-1. Luckily, we managed to get top of our pool and made it through to the quarter- finals.

In our quarter- finals match we played a well know hockey school named Framlingham. We started off well and scored the first goal of the match. Our team stayed strong throughout the match and got a 1-0 victory. We then moved on to the semi-finals.

The squad was lucky to get a half an hour break before their semi-finals game. We played the Gresham's. The boys were proud that they managed to score the first goal against such a formidable team, and it gave them hope. Gresham's then bounced back and were able to put themselves 2-1 up. St Faith's were starting to make some silly errors and opposition punished them. The final scored was 5-1.

The St Faith's boys started to get nervous now because if they lost this game, they knew they would be knocked out and would not make it to national finals. The game started off disappointing with the opposition, Beeston School, scoring an early goal, but the team came back and made the score 1-1. The score stayed the same until the St Faith's teams made a quick play and scored just moments prior to the final whistle and St Faith's school came third and qualified for the national finals.
