

Tuck Shop Treats and 'Matilda' Donations

The tuck shop treats for the DEC Ukraine Appeal was very well supported by children of all ages this week as they enjoyed a homemade cookie and a cup of hot chocolate in the sunshine in Tom's Garden. Thanks to the generous donation of all the ingredients from Chartwells, we managed to raise a total of £694.85 which will go to the Disasters Emergency Committee.

The retiring collections at the two evening performances of the Y6 production of 'Matilda' raised £809.16 for the Entebbe Early Learning School in Uganda. This money will help to buy basic educational supplies for the school and provide play equipment and vital mosquito nets for the children.

Many thanks for your support and generosity this term.

With very best wishes for the Easter holiday,

Miss E Kennerley (Head of Outreach)
