

ISGA 5 Piece U9 Gymnastics Nationals for Girls

On Saturday 26th February the U9 girls travelled to Tormead school in Guildford for the National ISGA 5 piece Gymnastics finals. This was to be the first competition of this size and importance for some of our girls and teams had travelled from as far afield as Brussels in Belgium to compete. The girls had an exceptional day and competed at their very best finishing 6th overall, which meant they received medals and a trophy, which they were thrilled about. They also came 5th in the Group sequence which is added into the team scores therefore they medalled for that also.

Maggie finished in 8th position as our best placed individual with 32.85 and only just missed out on a top 6 medal, with her sister Bethy finishing 22nd with a score of 32.15. The rest of the team who ably supported but did only three of the four pieces each, were Amalie, Emily, Lara and Darcy. It was fantastic team effort and each of the girls contributed to our team score and also the group sequence. It was long day as the presentation went on until about 6.45pm, but it was worth the wait and we were so proud of the girls.
