

## **In the Music Department this week:**

The Class Concerts Series has continued enthusiastically with some well-prepared performances ranging from a Grade 8 piano performance (Hopekirk) by Lana T and a beautiful mellifluous oboe performance (Bach) from Frank J. A special memory was made for Miss Kennerley's 4ME class with a moving performance from Hugo R. performing a Ukrainian folk song on acoustic guitar.

Year 6 have enjoyed their first full cast rehearsal for Matilda. The soloists Sophia B, Violate H, Katie F, Ollie R have been outstanding.

Year 7 have enjoyed a cross-curricular link with Engineering and have been learning about the mechanics of the Steinway & Sons piano in the Britten Recital Room. The choirs and school have been preparing music by the Renaissance composer Orlando Gibbons and Pytor Tchaikovsky for the Easter service at the end of term.

In complete and optimistic contrast, the Senior Brass Ensemble have begun preparations for the Summer Term performances with the Beach Boys 'I get around!'
