## Match report 5<sup>th</sup> VII Hockey v Felsted

The match was very exciting. It started very well as we had most of the possession. In the first half we scored first and it was a cracking goal as it was from a short corner. Angus pushed it out to Bora and he passed it to Joseph and he passed it back to Angus which slapped it into the back of the net! This was done in an amazing 4 seconds which was very quick. We were drawing 1-1 at half time. In the second half we were not as good as the first half and this led to us trailing behind, but we got our act together and scored another two goals scored by Oscar and Joseph. The second half was way more exciting than the first half as we were being pressured but managed to string together some fantastic hockey. The final score was a win of 3-2!

## St Faith's 6<sup>th</sup> VII vs Felsted Hockey

Wednesday the 2<sup>nd</sup> of February 2022, St Faith's played against Felsted in an away hockey match, coming back victorious. Felsted tried a tactic at the very start of the match when the ball was waiting to be played, they slapped the ball onto the side-lines, only a few metres from the goal. By halftime, the score was 2-1 in our favour. The concluding score was remarkably close 3-2 to St Faith's and our diligent goal scorers were: Mathew Y, Alexander P, and Alex. Quite a lucky and spectacular goal was made in our favour, as Alex did a drag flick, which did not turn out so well and stayed on the ground. Luckily, the goalkeeper opposing us, miscalculated the ball's speed and ended up stepping over the ball which earned us a surprising yet still a goal. Man of the match, and MVP was Ryan who played left-back as a defender, yet he proved to back up and assist both wingers and midfielders extraordinarily. Ryan helped save the majority of attempts that came at goal and helped us scrape that win. Even though the weather was a cold and damp, with a faint drizzle, the sun shone down upon us and gave us the fortune to win.

**Won 3-2 A Brown, A Priestley, M Young**

**Player of Match: Ryan**
