

Summer Saturday Gymnastics

It is with regret that weekly Saturday Gymnastics will not take place in the summer term. This is due to so many other sporting commitments on Saturdays involving staff and pupils such as the IAPS Trampolining, IAPS Swimming Nationals and various Tumbling and Acrobatic competitions taking place too.

Saturday Gymnastics will resume in the Michaelmas term in its present format and details will be sent out in early September.

For the pupils that attended the LENT term Saturday Morning Gymnastics, we are in a position to offer a 'one-off' opportunity **on Saturday 23rd April**.

- We will run sessions only for the gymnasts who attended during the Lent term (during either the 08:00-09:00 or 09:10-10:10 slots). This will be charged at the same price as the current sessions. Parents will be invited to come and watch the session and seating will be provided for this purpose. They will be normal working sessions but will shed light on the skills that we are developing and give you an opportunity to see how the children are progressing.
- There will be a JotForm generated for this session which you will receive on Tuesday 19th April. In the meantime, please keep the date free!
- For the 'advanced session' (10:20-11:50), this will run as normal on 23rd April without spectators as many of the gymnasts are preparing for National Finals taking place the following week.

With kind regards,
