On Saturday 14th May, sixteen St Faith's athletes from Years 6 to 8 competed in the Cambridgeshire County Track and Field Championships at Wilberforce Road. We enjoyed some amazing performances from many of our competitors. We also saw multiple winners: B Bullen achieving 2 silver medals in the Long Jump and Discus; D Grisby in the Hurdles and High Jump, and J Colley in the Long Jump and High Jump. J Ralston-Bown achieved the remarkable feat of becoming County Champion in Hurdles, Shot Put and Discus!

It proved to be a fantastic day with several children winning and becoming County Champions, being placed in the top three or achieving new personal best performances. Being an event for adults and children alike, it was exciting for them to see the senior age groups compete too. St Faith's results are as follows:
