

# Design a bookmark for the Platinum Jubilee!

As part of St Faith's celebrations for the Platinum Jubilee, the library is running a competition to design a Jubilee themed bookmark! The winning bookmark will be printed and shared with the school community!

Your design could be inspired by your knowledge of the Queen, life in the United Kingdom, a historical moment from the last 70 years, your favourite book, or even your love of reading!

Complete your design on this entry form and hand in to the library by Friday 27th May.
