

Tennis Doubles

After school last Friday, Year 5 and 6 had their Doubles tournament at Latham Road in good weather.

The event was great fun and the Year 6 Boys' final was contested by Mikhail LS and Nathan B against Kit W and Jake T. Nathan and Mikhail won the set 6-0 to become the school champions and the game was a delight to watch.

In the Year 5 Boys' Doubles it was lovely to see some future tennis players coming through and Jack P and Elliot H played against Eren O and Ethan M in the final and won 6-0 also.

The Year 6 Girls' Doubles was played in Games lessons on Monday and Aashna M and Mariam G played against Sophia B and Artemis K, with Sophia and Artemis eventually winning the final 6-2.

Congratulations to all the children who took part. The winners' trophies will be handed out in the end of term Sports Awards ceremony. The Year 7 and 8 Doubles tournament is next Monday and entries are due in by the end of today. The Singles events in all ages are later in the term so keep your eyes posted for details.
