

Year 4 Trip to Cambridge University Botanic Garden (Wednesday 25th May)

On **Wednesday 25th May**, Year 4 will be visiting the Botanic Garden as part of their new Geography Topic: Extreme Environments. **We will be out of school between 10:00 and 14:00** so please ensure your child has a water bottle, a snack, their school bag and that they wear uniform as normal. If it is hot, please also send a hat and apply sun cream before school, alternatively if it is raining, please provide a raincoat.

It will be a great opportunity for the children to experience some of the environments we have been studying this half term. Thank you for your continued support.

The Year 4 Team
