

WINNER!

Design a bookmark for the Platinum Jubilee!

Thank you to everyone who entered our bookmark competition before half term.

We had a wonderful response and a huge variety of ideas were showcased. During this week, lunchtime visitors to the library have been voting for their winner and I'm delighted to announce that Emily C in 5N is our overall winner!

Emily's design will now become our bookmark for the rest of term, ensuring all pupils are able to have a keepsake of the Platinum Jubilee.

All entries will be put into a display folder, which can be viewed in the library.
