

# Reception News

Dear families,

On Tuesday children had their individual photographs taken, and their ID card came home earlier in the week. Please keep this safe as photos will be available to order from the QR code linked to your child.

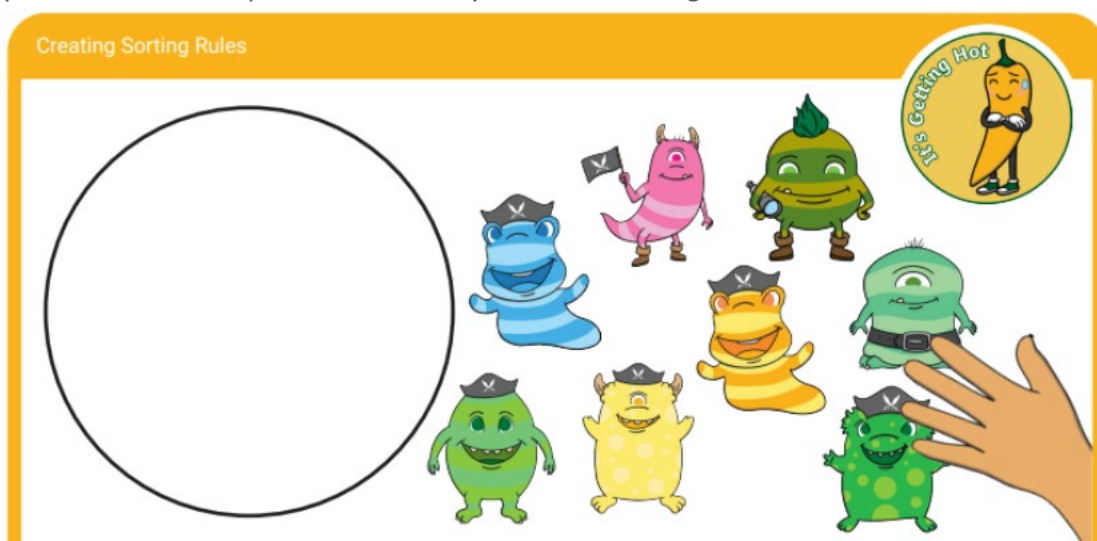

It was lovely to see so many of you at the SFPA coffee morning today, we hope you found it useful.

In a change to the timetable for **RCAH**, please note that **Miss Herbert's** class will be visiting the Library on Tuesday from next week onwards. Please see below an updated guide.

	RVH	RCAH
Monday	Water bottles	Water bottles
Tuesday	Library bags	Library bags
Wednesday	Games kit Wild Place	Games kit
Thursday	Games kit	Games kit
Friday		Wild Place

This week we have enjoyed beginning our focussed maths activities, looking at matching and sorting. For homework, you will find a set of pirate monsters in your child's red bag. Please use these to discuss the challenge below.

Creating Sorting Rules

**Choose a way to sort the pirate monsters.**

How have you sorted them?  
What is your rule?  
Could you have sorted the monsters a different way?

Please share your investigations on Seesaw.

Next week we will begin teaching phonics – further details to come next week.

Wishing you a lovely weekend,

The Reception Team
