

Books for Malawi

Help to spread the joy of reading whilst decluttering at the same time! If you have any children's book at home that are no longer needed but are in reasonable condition, we would be very grateful to receive them at school to donate to a project in Malawi. The books can be for any age-group, fiction or non-fiction and, if you want to make some space in your house, we can guarantee that they will go to a good home. Donations can be brought into school and put in the box in the Crush Hall at the entrance to Ashburton, or outside the Library between Monday 14th and Tuesday 22nd September.

Many thanks,

Miss E Kennerley (Head of Outreach)
