Book of the Week

Chloe Dalton's *Raising Hare* is a beautifully tender true story about saving an orphaned leveret that will deeply move young animal lovers. Through its gentle, heartwarming narrative, this enchanting book teaches children the profound beauty of wildlife conservation and the healing power of nurturing nature.

D.E.A.R Club

D.E.A.R (Drop Everything And Read) Club takes place three times a week in the library for pupils in Years 3–8.

It offers pupils an extra opportunity to dive into their favourite book, explore new titles and share recommendations with their friends.

Our lunchtime session runs every Thursday and after school on Tuesday and Wednesday. We are fully booked after school this term but please do consider joining us next term!
