Holiday Activities

Summer 25/26

Courses Summary

School run courses are open to current St Faith’s pupils and are based on their 2025/26 academic year group.

Please note, places are limited and will be allocated on a first-come, first-served basis.

Courses may be cancelled if there are insufficient bookings to run the activity.

St Faith’s is able to accept Tax-Free Childcare payments for our Holiday Activities. Further information on how to register for Tax-Free Childcare payments is available here [Tax-Free Childcare - GOV.UK](#).

Health and Safety

We assess the risks for every activity separately and documentation may be viewed by parents on request to the School Office. To further enhance safety, fire drills are held regularly for each course and registers are taken for all participants. Our staff are cleared by the Disclosure and Barring Service (‘DBS checked’) and a trained first aider will be present on the school site at all times. St Faith’s benefits from a secure perimeter and access by visitors to the School is strictly controlled.

How to Book

Book

To book, please use the links in this booklet. The Schools Buddy system is intuitive, but if needed, refer to the ‘How to...’ guide.

- Click on the ‘Summer Activities 2026’ button.
- After selecting your activity and completing the Terms and Conditions page, click ‘OK’.
- Finally, click the red ‘Book’ tab on the last screen.

You will receive an email confirmation once your booking is complete. Please check that you have received this to ensure your booking is successful.

Multi-Activity

Book

Multi-Activity offers a wide range of sports and games, including tennis, badminton, cricket, rounders, football, swimming, basketball, volleyball, table tennis, Team Superstars and more. Activities are planned with children’s ages and group sizes in mind, and some sessions may vary depending on the weather.

STEM Club

Book

STEM Club gives children the chance to practise their existing STEM skills in an imaginative and creative way. Mornings will focus on building coding knowledge, while afternoons will be dedicated to problem solving and engineering challenges. Children will also enjoy opportunities to combine two firm favourites, coding and working with Lego.

Cookery School

Book

Children are invited to become confident young chefs as they learn how to prepare a variety of delicious dishes. Throughout the course, they will work through a range of recipes, from starters and main courses to tempting desserts, with a focus on meals that are easy and enjoyable to recreate at home.

We encourage parents to book early to secure a place on this rewarding holiday activity.

Little Wyverns

Book

Little Wyverns offers a happy and familiar setting where children can enjoy spending time with their friends. Throughout the day, they will take part in a wide range of creative and active experiences, including art, crafts and physical play.

Based in the Pre Prep Annex classrooms beside the rear playground at Southfield, the setting is familiar to the children. When the weather allows, children will enjoy the freedom to move between the classrooms and the outdoor play area. Parents are encouraged to book early to secure a place.

Art and Craft Sessions

Book

The Art and Craft Sessions offers children the chance to explore their creativity using a wide range of materials and techniques. Under the expert guidance of Ms Ankin and Ms Smith, children will build confidence and enjoy producing imaginative pieces to take home.

Drama and Art Sessions

Book

The Drama and Art Sessions offer children the chance to practise and enhance their performance skills with Mrs McGregor by participating in a variety of dramatic activities and fun games. Pupils will also have the opportunity to get creative with different art resources and techniques, allowing them to practise and refine their existing artistic skills under the guidance of Ms Ankin in the Art Rooms.
