Book of the Week

Grimwood: The Fast and the Furriest delivers another dose of brilliantly bonkers, laugh-out-loud comedy as Nancy, Ted, and their wacky forest friends try to save the Treebonk World Cup. Packed with chaotic energy, madcap mishaps, and Nadia Shireen's wonderfully humorous illustrations, it is an absolute must-read for young readers.

From hidden portals to spellbinding magic kingdoms, a great fantasy story combines epic world-building with an unforgettable hero's quest.
