Reception News

We have had a busy week rehearsing for our Nativity. Thank you for your support practising your child's lines. Please do keep this going to help them become confident ahead of our performances.

If your child requires a costume, letters will be in their bookbags. Please can these be brought in at your earliest convenience in a labelled bag.

As the days are getting wetter please can we remind you that the children need a spare set of clothes in their black rucksacks.

We have enjoyed finding rhyming pairs this week. You should find an alphabet sheet with upper and lower case letters to match in your child's bookbag for homework. Don't feel it all needs completing, 10 minutes is enough time and the sheet doesn't need to be returned.

In maths we have been continuing to build on number understanding and the composition of numbers to 5. Some activity ideas could be;

- Bucket ball: Throw 5 soft balls or beanbags into a bucket, counting out loud. Notice how many went in and how many did not. Or
- Bunny Ears: Ask children to put both hands behind their backs and decide how to show 5 fingers across 2 hands. Bring hands forward and check.

Next week we shall be joining the rest of Pre Prep and our friends in Year 3 and 4 for our Advent Service. This is a pupil only event, but please keep an eye on the school social media accounts for details.

With best wishes for a lovely weekend,

The Reception Team
